MARBELLA CLUB

Family Adventures on the Costa del Sol

Beautiful sandy beaches, lively towns, splash-tastic theme parks, and all-inclusive hotels are a few reasons why the Costa del Sol is crowned as one of the best family holiday destinations on the map. The Sunshine Coast has plenty to offer in the way of entertainment, whether you're looking to practise your golf swing on one of its manicured greens or watch the water sports action unfold along the region's generous 161 kilometre coastline.

The **Marbella Club Hotel** boasts a prime beachfront location in the heart of the Costa del Sol's Golden Mile between Marbella and Puerto Banus, and whilst the hotel is renowned for its aristocratic elegance and glamour - set amid fragranced gardens and swaying ancient trees just steps away from a luxe beach club - few are in the know about its fantastic family facilities.

The hotel boasts a wide variety of accommodation to suit all families, with its luxury villas being a particular favourite. Families can choose from no less than sixteen beautiful Andalusian-style 2 - 6 bedroom villas, decorated with whitewashed exteriors and detailed blue tiling, plus a labyrinth of arched terracotta pathways that lead down to the sea. Most of the villas are equipped with a kitchen, private garden, and a heated swimming pool, offering families with adequate space and privacy during their stay.

When guests are not lounging in their quarters, there's a host of spectacular activities and facilities to get involved in at the hotel - in fact, the options are virtually endless. Friendly staff are on hand to create bespoke agendas to suit any specific request you may have, while you'll also have access to tennis courts, the 18-hole golf course, water sports, two heated pools, the sumptuous Thalasso Spa - and beyond.

The holy grail of **Marbella Club Hotel**, however, is the Kids Club. You really must see it to believe it, but this 5000 square metre (fully staffed) mini-village nestled within the resort is a haven for little ones aged 4-14, with activities aimed to boost their creativity, build new friendships, and - let's face it - give Mum and Dad an hour or two of peace! In fact, you may not see much of your kids at all, with entertainment on tap such as paddle boarding, pony riding, pottery courses, a dance studio, a mini lagoon, a library, garden games, a huge screen for starry movie nights, plus a variety of tailored workshops from tots to teens.

With its sought-after location in the heart of the action, first-class service and facilities, and boundless family offerings, The Marbella Club is perfect for your next family adventure in the Costa del Sol.

Family Villa

Boasting opulent interiors, refined dining and luxury amenities with sweeping views over the ocean, Parklane a Luxury Collection Resort and Spa, Limassol, is the name on everyone's lips for 2022.

Don't let its beachside position fool you; **Parklane a Luxury Collection Resort and Spa, Limassol** is also a stone's throw from the ancient city-kingdom of Amathous and neighbouring cosmopolitan city of Limassol, so you can tick off a blend of cultural, contemporary, and coastal sights during your stay – when you're not busy soaking in the stylish Kalloni Spa or slouched on one of the hotel's private poolside cabana, of course.

We've rounded up the best way to spend 24 hours at this sought-after destination, so you can take advantage of the spectacular facilities and the fabulous surroundings, too...

1 Start your Parklane day with a lazy breakfast on the pool terrace at Lanes as the world wakes up around you. The sumptuous buffet features hand-prepared dishes from around the world; take your coffee just how you like it and reflect on the day that lies ahead.

Vithos Bar

2 Consider yourself a history buff? Discover the area's rich past courtesy of Chief Concierge David Kokai, who will personally host you on an exciting 'Destination Discovery' tour showcasing the local Cypriot history – including perfumes, Lefkara lace, and a unique tour to the Amathous Ruins. David is one of just two holders of the prestigious Les Clefs d'Or on Cyprus, the second being Froso Patsali, also on hand 24/7 to make your stay just perfect.

3 If the kids don't want to join in on your adventures, they can enjoy a host of activities and entertainment via the Park Kidz programme, suitable for kids up to 12-years-old. Or, if you have a footie fanatic on your hands, the Football Escapes academy runs throughout the summer featuring personal tuition from former Premiership players for young budding Beckham's!

4 For lunch, grab a bite to eat at uber-cool Mediterranean restaurant Nammos (opens end May 2022) for fantastic seafood served up with ocean views. Afterwards, retire to your private poolside cabana where you can relax to the sounds of the waves lapping in the distance, or take a revitalising swim in one of the spectacular pools – including the freshwater Vithos pool, complete with relaxing hydrotherapy jets.

5 On that note, before dinner be sure to treat yourself to some mind, body, and soul pampering at the benchmark Kalloni Spa, where you can experience award-winning treatments including Thalasso, Banya, or simply a massage in one of our private outdoor treatment suites. Once fully rejuvenated, head to Vithos Bar for a refreshing cocktail as the sun sets.

6 As evening rolls in treat yourself to a variety of international cuisine at the hotel, there are four exceptional restaurants on site, to suit all tastes and palates and complimented by the biggest wine cellar on the Island, all in a wonderful mediterranean setting.

7 End your day with a cocktail on the Gallery Terrace, as the sun sets over the harbour with the lights of Limassol Old Town twinkling in the distance. Another day over, but another magical day to look forward to tomorrow...

INTRODUCING...

Explora Journeys

Forget what you know about cruising and get ready for a brand new concept. Explora Journeys, launching in 2023, is the new luxury lifestyle travel brand with the ambition to redefine the luxury ocean experience. This exceptional brand combines centuries-old seafaring experience with superlative European refinement to introduce a bold new vision for luxury ocean travel.

This is a story that starts in 1940s Sorrento with a Neapolitan ferry captain, Gianluigi Aponte, who – together with the Swiss sweetheart he met when she was a passenger on one of his crossings – went on to create MSC, a global shipping operation and the world's largest privately-owned cruise company. Now this seafaring family are fulfilling their life-long dream and launching Explora Journeys, an exquisite, modern luxury cruise experience like no other.

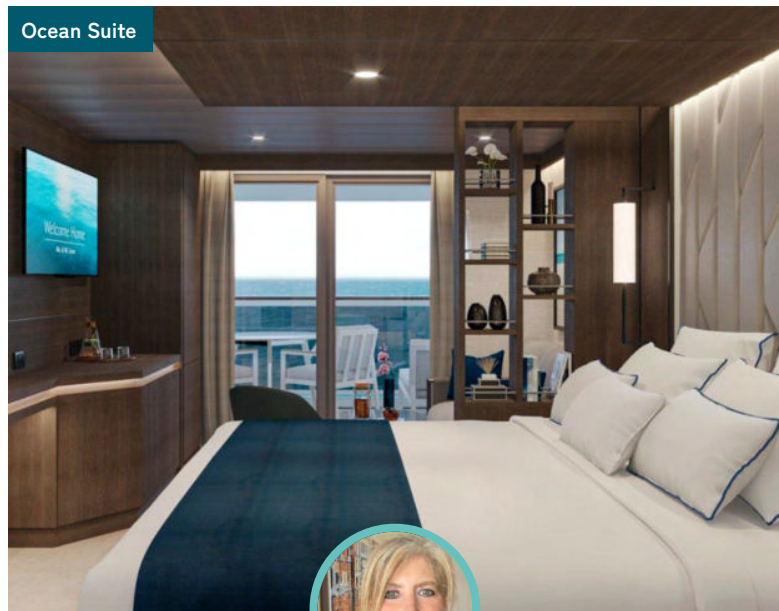

Explora Journeys is set to transform ocean travel through a synergy of the chicest ships and the most immersive itineraries that allow guests to discover further, travel deeper, and linger a little longer at each destination. These are enriching holidays for the curious, cosmopolitan traveller who wants to create connections that last long beyond the cruise itself.

On sailings between seven and 44 nights long, guests will venture both on and off the beaten path,

with the Inaugural Journeys Collection covering the Mediterranean, Northern Europe, Iceland and Greenland, USA and Canada, the Caribbean and South America and Hawaii.

Whether that's treading the cobbled streets of Europe's hallowed capitals and exploring the ancient Acropolis in Athens; navigating the crystalline cool of the Norwegian fjords and sailing in the shadows of Svalbard's soaring cliffs; or savouring French chic in Saint Barths, lolling beneath Hawaiian waterfalls, and soaking up the sun-kissed shores of Brazil's buzzing Buzios – Explora Journeys promises exclusive access that goes far beyond the classic luxury cruise experience.

Designed in partnership with the world's foremost superyacht specialists and harnessing cutting-edge maritime technology, the first ship in the Explora Journeys fleet sets sail in 2023, with three more to follow by 2026. European elegance

GOLF

Exciting Times Ahead at Costa Navarino

Having steadily raised its profile as a prime, sustainable destination in Greece, this trend looks to continue over the next couple of years with plans to grow from a golf resort to a golf destination, in its own right.

Elegant Golf Resorts spoke to Nuno Supulveda, who is the General Manager at Costa Navarino Golf about these fruitful developments.

Tell us the latest news regarding developments at Costa Navarino in 2022?

The new Navarino Hills golf courses and new clubhouse are fully open from February 2022. The new W Hotel, which is located in the Waterfront area between Navarino Bay and Navarino Dunes, is scheduled to open in Summer 2022.

What can you tell us about the two new golf courses at Navarino Hills?

In addition to the existing Dunes and Bay courses, February 2022 will see the opening of two new courses designed by double Masters champion and Ryder Cup legend, Jose-Maria Olazabal. Located in the Navarino Hills (where the Bay Course is), the new courses will be called the International Olympic Academy Course and the Hills Course. The Olympic Course is the longer and tougher of the two, with stunning views over Navarino Bay. The

Hills is more rural taking in the natural contours of the local Greek countryside. Don't forget the new state of the art clubhouse at Navarino Hills as well!

Can you tell us more about developments and plans for the rest of 2022 and 2023 in the Costa Navarino 'destination'?

Navarino Waterfront is due to open in summer 2022 and is a 13-hectare lifestyle area, which will feature the W Hotel with 200 rooms, suites, and bungalows. Located just north of Navarino Bay, the area is designed with a contemporary take on a traditional port town including a 'Waterfront Agora' – a marketplace of small shops and handpicked retailers, artisan food offering, as well as an open-air cinema, lagoon pools and a beach club.

Golf enthusiasts searching for the next destination to practise their swing sure know where to head for their 2022 golf retreat...

EXPERT INSIGHTS

How To Plan the Perfect Barbados Holiday

A paradise of palm trees, white sands, turquoise waters and cultural curiosities, Barbados is a destination very close to our hearts. Our experienced sales team have extensively explored the island, allowing them to use their first-hand experience to carefully craft your dream getaway.

BARBADOS FOR ROMANCE

Though filled with adventures, the island also has a seriously serene side, making it fabulous for honeymoons, anniversaries, or couples simply wanting to escape the everyday. Spend days walking along the world's most beautiful beaches, swimming with gentle turtles, and admiring the sunset by luxury yacht.

A romantic retreat awaits at **Fairmont Royal Pavilion**, set on the island's most superb beach with half a mile of white sand and transparent waters. After embracing the Caribbean Sea with a wealth of watersports, lovers can toast with cocktails as they admire the spellbinding sunset, before a tikki torch-lit private dinner on the beach.

BARBADOS FOR FAMILIES

Barbados is a firm favourite for luxury family holidays and there's plenty to keep visitors of all ages busy.

Accommodation wise, nowhere on the island quite does sand-between-your-toes, all-inclusive family luxury quite like **Tamarind by Elegant Hotels**. Little one's will love the Flying Fish Kids' Club's extensive programme of games, crafts, and island activities, while increasingly independent teenagers can make new friends with beach volleyball or pool in the ultra-cool teen lounge. Along the coast, legendary Sandy Lane welcomes mini-VIPs to The Treehouse Club for arts, crafts, and games, and older children to The Den for movie nights, 'mocktail' parties, silent discos – and beyond.

BARBADOS FOR FOODIES

Good food is a key ingredient for any luxury holiday and Barbados is the Caribbean's capital of cuisine. From classic Bajan dishes – think flying fish, rice and peas, and macaroni pie – to lavish lobster platters and international delicacies, you can dine across the globe from this 21-mile island. The Cliff Bistro, The Lone Star, Sea Shed and Round House are some of our personally recommended restaurants. Cobblers Cove is also home to the highly regarded Camelot Restaurant which celebrates local produce – resident fisherman Barker brings his fresh catch to chef Jason Joseph each day.

BARBADOS FOR SPORTS LOVERS

The isle's balmy, year-round climate makes it a blissful destination for golfers, with a huge variety of courses on offer – enough to play a new course each day for a week! **Sandy Lane** takes golf very seriously, with three world-class courses (including the Tom Fazio-designed Green Monkey) all of which have played host to golf's biggest names. Or, perhaps you'd prefer to watch world-class jockeys in the Sandy Lane Barbados Gold Cup or spectate some first-class cricket instead? The Kensington Oval hosts big, international matches during the season.

Periklis Gompakis, Sales & Marketing Director at MarBella Collection, Greece

Discover a world of refined luxury at MarBella Collection. A unique property collection in Greece, guests can expect sensational gastronomy, indulgent spa treatments, Greek hospitality, and signature living across three luxury hotels on the Ionian Sea.

Eager to learn more about the MarBella Collection and its sought-after resorts, we sat down with Sales & Marketing Director Periklis Gompakis to talk everything from the brand's history to future plans...

Tell us a little bit about yourself and what you do?

I'm a passionate hospitality professional with 15 years' experience in Senior Management Roles. My career kicked off at one of the most successful hotel groups in Greece back in 2008, and I joined MarBella Collection in May 2019 as Sales & Marketing Director.

Why will LWC clients enjoy MarBella Collection?

Guests will experience authentic Greek hospitality combined with luxury. Our tailor-made services are complemented by our passion for offering service excellence and memorable stays, including high quality amenities and unique experiences for all ages.

What is the history of the MarBella Collection brand?

50 years ago, the Dracopoulos family bought a tiny house (where MarBella Corfu stands today) to accommodate friends and family. Views of the calm sea inspired its name "MarBella" - from the Italian expression "Mare Bello" - meaning beautiful sea. This marked the start of a long and loving journey.

Which Hotel would you recommend for which groups?

We offer an extensive portfolio appealing to the most discerning of travellers. What guests look for in a hotel varies according to their age and phase of life, to that direction, we provide an adults-only boutique at MarBella Nido, family-friendly MarBella Corfu, plus digi-detox experiences at MarBella Elix for those who love exploring nature, local culture, and sports.

Future plans for MarBella Collection?

We're looking to a targeted investment programme for the next 3 years which will strengthen the Group's presence on Corfu Island. Plans for another beachfront boutique property and a small Villas Complex on the Ionian Coast is set to open in 2024.

Meanwhile, in summer 2022 MarBella Corfu will become the only 5* property on the island with a brand-new Aqua Park on-site, whereas a full refurbishment of all rooms and public areas is already scheduled for summer 2023.

New partnerships with Greek Chef Yiannis Kioroglou and Gikas Xenakis are also set for summer at MarBella Corfu and MarBella Elix, underlying the importance of high-end cuisine.
