TALES FROM MOROCCO

Mazagan Beach & Golf Resort

Oozing elegance and surrounded by magnificent landscaped gardens, overlooking the Atlantic Ocean, luxury five star Mazagan Beach and Golf Resort is truly expansive. It's sleek and modern, with hints of Moorish influences in the patchwork tiles and carved wood lattices. You can spend days at Mazagan without leaving the resort, which makes it ideal for a long relaxing weekend in absolute luxury immersion for any type of group.

Here are just a few of our Mazagan highlights.

GOLF

Flowing with the land's natural contours over dunes and beside the Atlantic's Moroccan shore, Mazagan Golf Course was designed by Gary Player. The layout is a par 72, 18-hole links course, featuring broad fairways and immaculate greens that will challenge single-digit and high-digit handicappers alike, eager to test their swing.

SPA

Mazagan Spa really is out of this world! Enjoy all kinds of revitalising body and face treatments in a series of cold, warm and hot rooms, including a lavish suite for two to experience side-by-side pampering. There's also a traditional hammam with intricate mosaic décor, Jacuzzi bath, indoor and outdoor relaxation spaces.

FAMILY

With three clubs offering jam-packed timetables for every age Mazagan Beach Resort is a veritable playground. The Kidz Club hosts a schedule of activities for 4 to 11-year-olds, while Rush Club keeps teens entertained with a host of activities including horse-riding and electronic gaming. For younger ones, the Baby Club gives parents a chance for some adult time on the fairways, in the spa or enjoying a romantic meal.

BEACH

Expect non-stop fun and action on Mazagan's seven-kilometre-long sandy beach, wedged between the dunes and Atlantic Ocean. Catch the rays on comfortable sunbeds, dust off the sand and wade into the water to ride a wave, either surfing or bodyboarding, and feel the wind in your hair and race across the sea on a jet-ski.

DINING

Choose from twelve eateries, each cooking up a international's delicacies. One of these is, of course, a Moroccan serving slow-cooked tagines with flatbreads and couscous, accompanied by the obligatory belly dancers.

AT THE FORE FRONT

Cornelia Deluxe and Diamond

Nestled between Europe and Asia, Turkey overflows with a multitude of different influences, which is best portrayed through its delicious food and stunning architecture. What's more, the country is home to four of the top 100 golf courses in Europe, attracting elite golfers from all over the world.

The golfing capital of Turkey has to be Belek. Formerly a small fishing village, it is here that discerning golfing couples and groups can experience ultra-luxurious five star golf resorts with spectacular all-inclusive offerings. Home to 14 immaculate golf courses, many of which are championship courses, Belek is the most concentrated golfing region in Europe. All 288 holes, carved through avenues of fragrant umbrella pines and across natural sand ridges, are located within 20 minutes of one another. They are accompanied by crystal-clear lakes and breath-taking panoramas of the sea and Taurus Mountains.

Off the course, holidaymakers can relax on Belek's clean white beaches or admire ancient sites such as the Roman amphitheatre at Aspendos and the ancient Greek city of Perge.

For those looking to make a quick getaway to the first tee, the Cornelia Resorts – **Cornelia Diamond Golf Resort & Spa** and **Cornelia De Luxe Resort** – are a perfect choice.

CORNELIA DIAMOND GOLF RESORT & SPA

Big is beautiful in the case of the Cornelia Golf Resort & Spa. This spectacular and stylish hotel sits in impressive grounds which roll down to the beach, and is very popular with couples, groups and families.

The hotel's main attraction is its close proximity to the 27-hole Faldo Signature Course, lying just two minutes' transfer from the 5th fairway. Guests of Cornelia Diamond receive courtesy transfers to the Faldo Clubhouse and access to considerably cheaper green fees than non-residents.

The Cornelia Diamond resort has one of the largest spa facilities in Belek, and some of the best standard rooms on this coastline. The extensive grounds have a huge array of fountains and swimming pools, with amazing facilities for children. There are a series of beautifully landscaped pools leading down to the sea, interspersed with bridges, an amphitheatre, and a la carte restaurants and bars in the garden area.

This is Cornelia's premium brand, with 571 bedrooms open in the summertime. As well as an extensive and varied buffet restaurant, it has an excellent selection of à la carte restaurants.

Cornelia Diamond Summer Golf Package from £1,599 per person

for 7 nights in a Standard Room with Diamond All-Inclusive including 4 rounds of golf, return flights and luxury transfers.

CORNELIA DE LUXE RESORT

The **Cornelia De Luxe Resort** is one of Belek's finest all-inclusive options, and one of Turkey's best golf hotels. The resort is beautifully landscaped and designed with plenty of glass to allow stunning views of the beach from most of its public areas. The pool areas and gardens are superbly laid out, while the hotel beach is excellent.

Golfers enjoy special packages, including golf on the Faldo Signature Course at very competitive prices. With free golf shuttle transfers to the Faldo Clubhouse which is just five minutes away, golfers are well placed for 27 incredible holes on the region's challenging course.

The Cornelia Deluxe is rated highly by many returning guests, offering good quality food and beverages, as well as evening entertainment. One of the smaller hotels in Belek, it also provides an enjoyable stay in the winter period, retaining a high level of ambience.

Cornelia Deluxe Summer Golf Package from £1,599 per person
